About DSC

The Dallas 9/11 Memorial Stair Climb (DSC) is a living memorial and fundraiser that supports several national and local nonprofit charitable organizations. Its core purpose is to promote the remembrance of the 343 firefighters, 70 police officers, and 9 EMTs who perished on Sept. 11, 2001, and those who have died since due to interrelated problems. The climb will raise funds for local fallen heroes and their families while encouraging public safety fitness. As of Sept 2012, over 686 firefighters from 183 departments and 5 states have represented the stair climb. Funds raised go to support the Texas Line of Duty Death Task Force, Metroplex Concerns of Police Survivors, National Law Enforcement Memorial Fund, the National Fallen Firefighters Foundation and the Twin Towers Orphan Fund, among others. To carry out this

mission and meet the needs of our event, the stair climb relies on the generous support of our affiliate members and others in the police and fire service. For more information, you can visit our website at www.dallasstairclimb.com.
